## OUR CUSTOMERS

And your potential employees:

- Perform job duties with efficiency
- Are dependable employees-reducing costs of training and turn-over
- May improve your profit margin through tax incentives or on-the-job training
- Have a good safety record on the job and will not cause your insurance rates to increase
- Are self-sufficient

## HOW WE CAN HELP

We will provide:

- Qualified individuals who want to work
- Technology/equipment to enable your employee to be efficient and productive
- Training support to promote efficiency and integration into your workplace
- Paid internships and on-the-job training
- A ready resource to answer questions about blindness, technical support and follow up

**THINGS TO CONSIDER:**

- Allow the applicant to complete the application off-site
- Consider posting and keeping job descriptions, application forms and job openings on-line
- During the interview process, discuss the job description and duties; allow the applicant to address the alternatives they will use on the job
- Allow the Nebraska Commission for the Blind and Visually Impaired to demonstrate the alternatives your employee will use on the job
